Dear Mr. Szepesi,

Please find attached hereto Romania's notification concerning the third stage of integration into GATT 1994, pursuant to Articles 2.8(b) and 2.11 of the Agreement on Textiles and Clothing.

The trade data for 1990 refer to the value of imports due to the fact that for the respective period there are no systematic trade statistics in volume terms.

Sincerely yours,

(Signed)

Ambassador
Anda Cristina Filip
