## SUBSIDIES

### Questions Posed by the EUROPEAN COMMUNITIES Regarding the New and Full Notification of AUSTRALIA<sup>1</sup>

The following communication, dated 15 January 2004, is being circulated at the request of the Permanent Delegation of the European Commission.

---

#### FEDERAL PROGRAMMES:

##### IV. PASSENGER MOTOR VEHICLES:

What are the eligible imports for use of the duty credits, and how is the list of these eligible imports determined? For MVPs, what production is eligible for the earning of duty credits?

##### IX. TEXTILE CLOTHING AND FOOTWEAR PROGRAMME:

What is the limit, or the range of limits, on the percentage of eligible expenditure, which can be covered by the grants?

#### SUB – FEDERAL PROGRAMMES:

Why are the budgets for the sub-federal programmes all aggregated rather than given separately for each state?
